

# PERMISSION REQUIREMENTS

## SHORT-TERM MEDICATION ADMINISTRATION

### 10 days or less

The following table indicates the permission needed to administer a medication to any child in your care for TEN days or less.

MEDICATION TYPE	MEDICATION ROUTE	TYPE OF WRITTEN PERMISSION REQUIRED	
		PARENT PERMISSION	HEALTH CARE PROVIDER
Over the counter	Topical	Written Medical Consent Form (10 days or less)	none required
	Oral		
	Inhaled/Nasal		
	Patches		
	Eye		
	Ear		
Prescription	Topical	Written Medical Consent Form (10 days or less)	none required
	Oral		none required
	Inhaled/Nasal		none required
	Patches		none required
	Eye		none required
	Ear		none required
	Nebulizer		Written Medical Consent Form
	EpiPen		

The parent's instructions for administration MUST be consistent with any directions for use noted on the original container, including but not limited to precautions related to age and special health conditions. If the instructions are not consistent, written instructions from the child's health care provider are required.

NOTE: All short term permissions are discontinued after ten (10) school days.

# PERMISSION REQUIREMENTS

## LONG-TERM MEDICATION ADMINISTRATION
